26/14

Free Disposal Day for North Valley Residents

A Free Disposal Day specifically for residents of the LA County unincorporated communities of Sunland, Kagel Canyon, Lopez Canyon, West Chatsworth, Oat Mountain/Twin Lakes, Lake Manor, and West Hills will be held on November 1, from 8 a.m. to 1 p.m. The event will take place at the Sunshine Canyon Landfill, located at 14747 San Fernando Road, Sylmar 91342.

Sponsored by LA County Supervisors Zev Yaroslavsky and Michael D. Antonovich and Republic Services, Inc., Free Disposal Day gives unincorporated area residents an opportunity to dispose of bulky household items, furniture, and appliances. Residents can bring up to one ton of these items to the landfill free of charge.

Participants must provide proof of residence and are advised to secure their loads to prevent spillage during transportation. Business waste, tires, or household hazardous waste, such as paint and cleaning products, will not be accepted. For the disposal of business waste or household hazardous waste, visit www.CleanLA.com or call (888) CLEANLA.

Sunshine Canyon Landfill also provides other free disposal services during the year, including bulky item and waste tire drop-off. For more information about these services, or to receive notification of future, free disposal days, call (800) 926-0607 or e-mail LA County Public Works at SWIMS@dpw.lacounty.gov.

Residents can give away surplus items through the Los Angeles County Materials Exchange, a free countywide service that facilitates materials exchange and finds markets for surplus materials and other usable discards. More information on this service can be found at www.LACoMAX.com.
